## DARKIE THUMPER HAS EASY VICTORY

SAN FRANCISCO, December 22.—Fireman Jim Flynn was knocked out by Negro Sam Langford in the first round of what was to have been a twenty round go at the Coliseum last night.

Monte Attell, brother of Abe Attell, fought a fifteen-round draw with Jimmie Walsh, the bantamweight champion of the world, before the same club.

Says a San Francisco paper: For the purpose of comparing the two men physically, as they stand, the writer has secured their measurements. Flynn has the more perfect build of the two, and it is Langford who is freak, heavy above the waist but dwindling away below.

It is about the chest and in his arms that the black shows an abnormal development. His reach, six inches more than Flynn and two inches more than Stanley Ketchel, will give him an advantage that will be offset in part by the fact that Flynn is three inches taller.

Around the chest Langford measures four and a half inches more than Flynn, and his waist shows two inches to the good as compared with his opponent. In the thigh, however, Flynn picks up weight, measuring 22½ inches, as against 17 for Langford, which in itself shows why Langford can make the middle-weight limit.

In the biceps, forearm and wrist, Langford outmeasures Flynn. But the figures, which are as follows, speak for themselves.

|                  | Langford.       | Flynn.            |

## WOLGAST-ATTELL FIGHT IS DRAW

LOS ANGELES, Dec. 12.—Ad Wolgast of Milwaukee, fought a draw with Abe Attell, the featherweight champion, before the Pacific Athletic Club here last night. The fight went for ten rounds, with no official decision permitted under the law.

There was a division of sentiment regarding a fair verdict. However, Wolgast rushed the fighting in every round, backing Attell all around the ring, and landing frequently heavy blows to the jaw and stomach that shook the champion severely.

Wolgast took a world of punishment without flinching and never took a backward step. He was strong at the finish, although he bled from the face from the second round. Attell fought lazily and entirely on the defensive and seemed to show little of his old-time speed and cleverness except in a couple of short rallies.

In these rallies Wolgast fought Attell to a standstill and often forced the champion to break away from the clinches by his fusillade of blows to the body. Wolgast showed wonderful blocking ability and took much of Attell's straight jabs on his gloves. The men weighed in at 6 o'clock at 122 pounds. Charley Eylon was referee. The general opinion was that Attell did not half try to do his best and he was roundly hooted for his showing on leaving the ring. The crowd numbered 4000.

## MAHMOUT THROWS FRED BEALL TWICE

NEW YORK, December 12.—Yousoff Mahmout, the heavyweight wrestler, defeated Fred Beall of Wisconsin by two straight falls in a wrestling match here last night. In the semi-windup Americans of Baltimore, light heavyweight champion of the world, won from George Turner of Iowa in two straight falls. He then challenged the winner of the big bout and was accepted.

### CHAMBERLAIN'S COUGH REMEDY IN SOUTH AFRICA.

Mr. S. Schneider, of Koffeyfontein, O. R. C., is very grateful to the manufacturers of Chamberlain's Cough Remedy. He has found that it cures his children as well as himself of their coughs and colds. They were all coughing and got no relief until this remedy was used. Many parents have made this same discovery. There is nothing better for coughs, colds and croup, and as it contains no injurious substance, there is no danger in giving it to the children. For sale by all dealers, Benson, Smith & Co., agents for Hawaii.

tempt will be made at this session of Congress to extend the Sterling employers' liability law, passed at the last session of Congress, so that not only employees on railroads will receive the benefit of this legislation, but also those on ships when engaged in interstate commerce.
